Fixed term savings

Al Rayan Bank's fixed term savings accounts tend to pay the highest rate of profit of all our savings range. We offer 12, 18, 24 and 36 Months Fixed Term Deposit (FTD) Accounts.

Fixed term deposit accounts are suitable for customers who have at least £1,000 to invest, who want to earn the highest rate of profit and are willing to lock their money away for a fixed period of time, and for an expected (target) profit rate, agreed at the outset.

These accounts are operated under the Islamic finance principle of Wakala, which is an agency agreement for investment.

We will work as your agent, closely monitoring your investment and endeavouring to achieve an expected (target) profit rate.

How it works

Step 1

Choosing an account

Once you have selected the account you would like to open, you make an application to us specifying the term and the amount of your deposit.

If you are an existing customer, you will only have to complete the Fixed Term Deposit Account instruction form.

Step 2

Making an application

To find out how to make an application, please refer to the 'How to apply' section on page 7 of this booklet.

When you make your application, you can choose to have your profit paid quarterly or on maturity.

By signing and completing the application, you appoint us as your agent to invest the funds.

Step 3

Receipt of deposits

Once we have received your deposit amount, we will set up the account and you will receive a confirmation letter.

The confirmation letter will state the details of your Fixed Term Deposit Account.

During the fixed term, you cannot add additional funds to your account, or withdraw your funds partially or in full.

Step 4

Monitoring your funds

We will work as your agent, closely monitoring your investment, endeavouring to achieve the expected (target) profit rate.

Step 5

Unforeseen circumstances

If for any reason we are not able to achieve the expected (target) profit rate, we will give you the option to close your account.

If you choose to close your account, we will return your funds, along with the agreed profit accrued on your deposit up until the date of termination.

Step 6

Maturity

On maturity we will pay you back your initial deposit, plus the profit amount accrued on your account.

If on application you nominated an account into which your maturity balance should be paid, and we can confirm those details with you on maturity, we will pay your maturity balance into the nominated account.

Otherwise, we will open an AI Rayan Bank instant access savings account for you, and you will be able to withdraw your funds when you wish.

If you wish to roll-over your deposit for a further term after maturity, you can instruct us via the **Fixed Term Deposit Account instruction form** you fill in at the outset.
