1: Introduction

1. Purpose of this booklet

- 1.1 This document sets out the general terms and conditions applicable to **our** sterling current and savings accounts for personal customers who are resident in the United Kingdom, including the use of a debit card where this facility is made available (Section A). This document also contains the terms and conditions applicable to **our online banking service** (Section B) and **our telephone banking service** (Section C). **You** should keep **your** copy of this terms document in a safe place for future reference. However, further copies of these **conditions** are available to **you** on request. This document should be read in conjunction with **our tariff list** and any **special conditions** applicable to **your account**.
- 1.2 There are two categories of accounts under Payment Services Regulations 2017, the **payment accounts** and **non-payment accounts**. All **our accounts** fall into either one of these categories.
- 1.3 Subject to 1.4, if **your account** is a **payment account**, **we** can change these **conditions**, the **special conditions**, the services, the **conditions** which apply to the services on **your account**, the charges for the day to day running of **your account** and the target profit rates applicable on **your account** if **we** give **you** at least two months prior notice of the change. The change will automatically take effect and **you** will be taken to have accepted the change unless **you** notify **us** in writing that **you** do not agree to the change. If **you** notify **us** that **you** do not accept a change **we** will take this as notification that **you** wish to close **your account** immediately.
- 1.4 If **your account** is a **payment account**, **we** do not need to give **you** prior notice in accordance with clause 1.3 of any change to the target profit rates payable on **your account(s)** where the change is to **your** advantage or where the target profit rate is linked to a reference rate (from a publicly available source). **We** may apply the change to **your account** immediately and **we** will notify **you** in accordance with clause 1.5.
- 1.5 If **your account** is a **non-payment account** **we** can change these **conditions**, the **special conditions**, the services, the **conditions** which apply to the services on **your account**, the charges for the day to day running of **your account** and the target profit rates applicable on **your account** if **we** give **you** one month's notice before the changes takes effect.
- 1.6 If **your account** is a **payment account** or **non-payment account** and **we** make a change to the target profit rate payable on **your account**, **we** will notify **you** through **our** website, a notice in **our** branches, or by writing to **you**. For any other change **we** may notify **you** personally.
- 1.7 These **conditions** apply to **your account** and are in addition to any **special conditions** that may apply to **your account** or to any other products or services **we** offer. Where these **conditions** conflict with any **special condition**, the **special condition** shall apply. If **you** need any further information please contact **us** on 0800 4086 407.

Section A: Consumer Banking conditions

1. Sharia Supervisory Committee

- 1.1 **We** will at all times operate the **account** in accordance with the rulings and guidance given by **our Sharia Supervisory Committee**. **We** both agree to be bound by the rules and guidance of the **Sharia Supervisory Committee** with respect to all matters relating to the interpretation and application of Sharia to the **account**. See **our** website for related Sharia rules relating to **your account** issued by **our Sharia Supervisory Committee**.
- 1.2 All amounts held in the **accounts we** maintain on behalf of **our** customers are held in strict conformity with the rules of Sharia as determined by **our Sharia Supervisory Committee**. Unlike conventional interest based bank **accounts, we** do not pay interest on the **account** nor do **we** use **your** money for prohibited interest based lending. **We** may however place the money **you** deposit in **your account** in Sharia compliant investments which **we** select but always in accordance with the requirements of English law and as agreed in **special conditions**.
- 1.3 If **you** would like details of the members of **our Sharia Supervisory Committee** then please visit **our** website.

2. Your account and the facilities available to you

- 2.1 To open an **account** with **us**, **you** must be at least 16 years of age. However, to obtain Islamic finance from **us** **you** must meet the minimum age requirement. Please ask a member of staff if **you** require information on whether or not **you** qualify for opening an **account**.
- 2.2 Before **we** are able to open an **account** for **you** **we** will need to ask **you** for proof of **your** identity and address. For further details on this please see **our** booklet "Proof of Identity". Before **you** can operate an **account** with **us** **we** may need to meet **you** in person to complete the necessary formalities. **We** will inform **you** if **we** need to meet **you** in person. However, **you** may also open an **account** with **us** via electronic channels and over the phone, provided that **you** send to **us** any required proof of identity and address. Once **your account** with **us** has been established **you** will be able to communicate with **us** by telephone, post and secure messages (if applicable) as well as by personal visits to one of **our** branches.
- 2.3 Because **we** operate in strict conformity with the rules of Sharia **our** charging structure differs from conventional banks. The fees **we** charge vary according to the type of service that **we** provide to **you** and the type of **account** that **you** have with **us**.
- 2.4 When **you** open an **account** with **us** **we** will give **you** a copy of **our tariff list** at that time. **You** can check **our** fees at any time by telephoning 0800 4086 407, by asking staff at one of **our** branches for a current **tariff list** or by checking on **our** website, www.alrayanbank.co.uk.

-
- The **account** facilities **we** are able to offer **you** will depend on a number of factors and **we** may offer different facilities to different customers. **We** will be happy to discuss these different facilities with **you** and also explain how **you** may apply for them.
- 2.5 The **account** is personal to **you** and may not be used by anyone else apart from **you** unless **you** authorise another person or **TPPs** to operate **your account** on **your** behalf.
- 2.6 If **you** wish another person to operate **your account**, **we** will accept a legally registered power of attorney, although **you** should take advice from a solicitor or other legal adviser before granting a power of attorney to anybody. On **joint accounts** all of **you** must sign if **you** wish to allow another person to operate **your account**.
- 2.7 **You** can give **your security details** to authorised **TPPs** to provide **you** with account information services and/or payment initiation services.
- 2.8 **Your account** cannot be used as a business account. If **you** wish to open a business account for **your** business financial matters **you** should apply for a business account. A member of **our** staff will be happy to provide **you** with details of **our** accounts which are designed for business use. **We** may undertake regular checks and if this condition is breached then **we** may close **your** account without reason.
- 2.9 **We** will only activate the **account** once **we** have received a duly completed application form (together with any other forms and information that **we** may have requested) from **you** and carried out any checks that **we** consider appropriate. **We** will be making checks with one or more credit reference agencies unless the applicant is under the age of 18 years old. **We** reserve the right to decline opening or activating the **account** in **our** sole discretion and if **we** refuse to open an **account**, **we** are not obliged to explain **our** reasons for such refusal.
- 2.10 **We** will assume that any credit balance in **your account** belongs to **you**. By depositing money into the **account** **you** are deemed to confirm that no one else has a right to or an interest in the moneys deposited. **We** may not deal with third parties claiming an interest in **your account** even if **you** have authorised **us** to deal with such third parties in writing unless it is in accordance with condition 2.6 or **we** are required to do so by a court order or due to a requirement of law.
- 2.11 **We** do not permit overdrafts, so **you** must not allow **your account** to become overdrawn.
- 2.12 **We** offer **our** customers a number of services such as the provision of duplicate statements, payment services and banker's drafts. **Our tariff list** sets out **our** charges for services and other matters and **you** agree to pay the charges when they become due for payment. Unless **you** have subscribed to a bundle service offering, which will have its own fee structure which will have been advised to **you** at the time **you** subscribed.
- 2.13 **You** have the right to obtain a copy of the **contract** at any time.
- 2.14 **You** have the right to cancel **your** application without penalty and without giving any reason, within 14 calendar days from either the day of the conclusion of the **contract**; or from the day on which **you** receive the contractual terms and conditions and any other pre-contractual information, if that is later than the date of the conclusion of the **contract**.

-
- 2.15 In the event of suspected or actual fraud or security threats to **your account**, we will use SMS, telephone, post or another secure procedure to contact you. You may also be asked to verify **your** identity for security purposes.

3. Joint accounts

- 3.1 **You** may apply for an **account** to be opened in **joint** names. **You** will need to complete an **account** application in all names with all of **you** signing the form where indicated. All of the **conditions** will apply to all of **you**, jointly and severally. This means that all of **you** will be responsible for the **account** individually as well as together.
- 3.2 Because **you** operate **your account** jointly **we** may disclose any information that one of **you** gives to **us** in connection with **your account** to the other.
- 3.3 A **joint account** can be operated by any one of **you** independently of the other account holder or holders. This means that any **account** holder may issue cheques, use a **card** or give other banking instructions. The actions taken and or instructions given to **us** by any one of **you** will be binding on the other **account** holder or holders without **us** having to make any further enquiries.
- 3.4 **We** will accept such authority until it is cancelled by any one of **you** or by law. If any one of **you** tells **us** about a dispute between any one of **you**, **we** may restrict activities and instructions on the **account** until such time **joint** confirmation has been received that the dispute has been resolved or **we** may decide to treat this as notice of cancellation of **your account** and any transactions associated with **your account** such as direct debits and standing orders. In such circumstances **we** will ask **you** to return any unused cheques and **cards** associated with **your account**. Until all **cards** and cheques are returned, card and cheque transactions will continue to be deducted from **your account** and all of **you** will be responsible for such transactions individually as well as together.
- 3.5 If one **account** holder dies **we** will need **you** to provide **us** with a certified copy of the death certificate. The surviving **account** holder or holders have full authority to instruct **us** concerning the **account**, including the payment of any credit balance, and will be responsible for any obligations connected with the **account**, including payment of any debit balance.

4. Paying money into your account

- 4.1 **You** may pay money into the **account** by any of the methods set out below:
- 4.1.1 By paying-in cash or cheques at one of **our** branches; or
- 4.1.2 By post or courier to one of **our** branches (cheques only); or
- 4.1.3 By paying in cash or cheques at the branch of another accepting bank; or
- 4.1.4 By transferring money directly into **your account** by using **our online banking service** (Section B) or **our telephone banking service** (Section C).

- 4.2 **You** may pay both cash and cheques into **your account** (a fee may be charged). **We** will treat cash and cheques as received in **your account** on the same day that they are paid in through one of **our** branches provided that **you** pay the cash or cheque into **your account** before the applicable cut-off time on a **working day** as listed in clause 4.2.4. If **you** make payment into **your account** after the applicable cut-off time or at any time on a non-working day we will treat the payment as received on the next following **working day**. **We** set out below the number of **working days** it will take to clear cash and cheques before **you** can withdraw against them ('clear' meaning the process by which **we** make the value of **your** cash or cheque deposit available to **you** in **your account**):
- 4.2.1 Cash paid into **your account** at one of **our** branches will normally be available for **you** to make **withdrawals** against on the same day.
- 4.2.2 A cheque paid in at one of **our** branches will usually be cleared by the end of the next **working day** before **you** can withdraw against it. If **you** send **us** a cheque by post, clearance time will begin on the day **we** receive the cheque (and not the day **you** post it). A cheque denominated in a foreign currency will take longer to clear before **you** can withdraw against it and **you** should ask branch staff for clearance times for the currency deposited. Banker's cheques or drafts will be treated as cheques for clearance purposes.
- 4.2.3 Cash, cheques, or a combination of cash and cheques paid into the branch of another accepting bank will usually take two **working days** to clear.
- 4.2.4 The cut-off time may vary depending on the type of deposit in line with the table below:

Payment type	Cut-off time (on a working day)
Cash deposit at Al Rayan Bank branch	4:00pm (some branches may operate extended cut-off times, please check with the branch you intend to visit in advance)
Cheque deposit at Al Rayan Bank branch	2:30pm

- 4.3 The balance of **your account** may include cheques and other items not yet cleared and **we** will refuse to let **you** make a **withdrawal** against uncleared deposits.
- 4.4 If a cheque is returned unpaid (i.e. a returned cheque) **we** will deduct the returned unpaid amount from **your account** and will tell **you** that this has been done. **We** may re-present the cheque to the bank of the person who issued it, or **we** may return it to **you**. **We** may charge **you** a service fee if **we** have to do this.
- 4.5 If **you** send **us** cheques by a delivery service, a courier or through the post, **we** will only accept responsibility for payments once they have been received and checked by **us**. **We** do not accept responsibility for cash sent to **us** by a delivery service, a courier or through the post.

-
- 4.6 If the total amount of the payments into **your account** is added up incorrectly on the paying-in slip and the difference is over £1, **we** will correct it and add the right amount to **your account**. **We** will tell **you** that **we** have done this. If the difference is £1 or under, **we** will correct the amount but will not tell **you** that **we** have done so.
- 4.7 **We** do not allow cheques made out to another person to be paid into **your account**.
- 4.8 Where legal reasons require, or in certain limited circumstances beyond **our** control, the payment of a cheque into **your account** may be prevented or may take longer than the time periods set out in clause 4.2.

Foreign cash and cheques

- 4.9 **We** will accept foreign currency payments into **your account** by electronic payment. If **you** make or **we** receive such a payment into **your account**, **we** will first convert the foreign currency into pounds sterling at **our** then prevailing exchange rate (at the best rate available to **us** for this purpose) but **we** reserve the right to make a charge for this service. **We** will advise **you** in writing of the transaction details as soon as practically possible.
- 4.10 If **you** pay a foreign currency cheque into **your account** and **we** agree to collect the payment from the foreign bank, **your account** will be credited once the cheque has cleared and **we** have received the funds from the foreign bank without recourse. The credit will be less any third party banking/clearing charges that **we** will advise **you** once **we** are notified, in addition to **our** own charges which **we** advise on **our** tariff list.
- 4.11 If the cheque is returned unpaid **we** will have recourse to **you** (as well as anyone who has signed or endorsed the cheque) and **we** will be entitled to deduct the amount credited to **your account** in respect of that cheque reconverted into the currency of the cheque. That means that if the relevant currency exchange rate has changed in the interim **we** may debit **your account** with a greater amount than the sum **we** originally added.
- 4.12 Because some countries operate foreign exchange restrictions and controls it may not always be possible for **us** to collect a cheque made payable in a foreign currency.
- 4.13 **Our** current charges are published in **our tariff list** and include the fees **we** charge for payments of foreign currency and cheques into **your account**.

5. Payments out of your account

- 5.1 Subject to there being sufficient cleared funds in **your account**, **you** may make a **withdrawal** of money from **your account** by any of the methods set out below:
- 5.1.1 By using **your card** (if this facility is available to **you**) at a **self-service machine** or by making purchases in a shop online, over the telephone etc.; or
- 5.1.2 Over the counter at one of **our** branches by writing a cheque (**you** may need to arrange this with **us** depending on the amount **you** wish to withdraw as cash withdrawal is subject to a daily limit). If **you** wish to withdraw a higher amount than **your** daily limit, **we** will require at least forty eight (48) hours prior notice (please check **your** withdrawal limit with **us** prior to any cash withdrawal); or

- 5.1.3 By setting up a regular standing order; or
- 5.1.4 By way of a direct debit instruction; or
- 5.1.5 By **us** processing **your** valid payment instructions; or
- 5.1.6 By **you** using **our self-service kiosk** to make external payments when this service is available; or
- 5.1.7 By **you** authorising PISPs to instruct **us** to make withdrawals or payments from **your account** on **your** behalf; or
- 5.1.8 By any other way **we** may agree with **you** in writing.
- 5.2 **We** may, for **your** protection, restrict the daily amount **you** can withdraw by using **your card**. When **you** open **your account** **we** will inform **you** of the daily limit applicable to **your account**.
- 5.3 The cut-off time for UK payments may vary depending on the type of payment in line with the table below:

Payment type	Cut-off time (on a working day)
Outward UK Sterling CHAPS and Faster Payments	5:00pm
Outward international payments	3:30pm (not available online)

- 5.4 Cash withdrawn from **your account** by using a **card** in a **self-service machine** will usually be debited from **your account** immediately and payments made to a supplier with a card will be debited the same **working day**. Other payments from **your account**, such as standing orders, direct debits or cheques will be debited on the **working day** that they are due for payment.
- 5.5 Sometimes payments to be made from **your account** may be subject to a delay for procedural checks or refused for other reasons. If **your** payment has been refused then **we** will notify **you** the next **business day** following receipt of the payment order, **we** will advise **you** the reason for the refusal unless it is unlawful to do so.
- 5.6 **We** may suspend, withdraw or restrict the use of **your account** at any time if **you** breach any of these **conditions** or any **special conditions**, if **we** have reason to believe that **you** are operating **your account** illegally or if **we** suspect the **account** is otherwise being misused. **We** will tell **you** before **we** take this action, or as soon as possible afterwards either by telephone or letter.
- 5.7 **We** do not charge **our** customers for making **withdrawals** from **self-service machines** although the operator of the **self-service machine** may levy a charge when **you** use certain **self-service machines** and they will clearly advise **you**, awaiting **your** acceptance to proceed. However, if **you** make a withdrawal from a **self-service machine** while **you** are outside the UK, a charge will apply. **Our** current charges are published in **our tariff list**.

-
- 5.8 Except in relation to cheques and cash withdrawals, when **you** give us a payment instruction, **you** must give us the sort code and account number of the destination account for payments in the UK or the equivalent information for payments outside the UK and any other details we ask **you** for such as the name of the person **you** are sending the payment to. **You** are responsible for ensuring that payment details are correct. **We** will not be liable if **your** payment is delayed or sent to the wrong person because the details **you** gave us were incorrect. If a payment instruction does go to the wrong person **we** will use reasonable efforts to recover payment for **you**. **We** may charge **you our** reasonable costs for this service. If it is not possible to recover the payment amount, **you** can request from **us** all the relevant information in relation to the transaction including the name and address of the recipient so that **you** may contact the recipient directly to reclaim **your** funds. **We** will provide this information on receiving a written request from **you**, unless the law prevents **us** from doing so.
- 5.8 If **you** do not recognise a **card** transaction which appears on **your** statement, including those initiated by a **TPP**, **you** can claim a refund from **us**. To do this **you** will need to tell **us** as soon as possible and within 13 months of the date of the transaction otherwise **you** will not be entitled to redress. In some cases, **we** will need **you** to give **us** confirmation or evidence that **you** have not authorised a transaction.
- 5.9 **We** will not make a refund if **we** have reasonable grounds to believe that **you** are not entitled to the refund at the time of the request. In these circumstances, **we** will investigate as quickly as **we** can.
- 5.10 **We** will normally refund **your** account by the end of the next **working day** with the payment amount and any charges **you** have paid as a result of the payment unless **we** can show that **you** did authorise the payment or if **we** suspect fraud or **we** can show that with gross negligence **you** failed to keep **your** card or **security details** safe, (gross negligence means that something **you** have or have not done was very obviously wrong or careless).

6. Writing cheques and stopping payments

- 6.1 If **we** have agreed to provide **you** with a cheque book, it is **your** responsibility to ensure that each cheque **you** issue is completed correctly. **You** must not alter or amend in any way the printed writing on the cheques. The printed writing is important for a number of reasons and if changes are made **we** may refuse to honour the cheque.
- 6.2 When **you** write a cheque, write clearly the name of the **payee**, the amount in words and figures as well as the date. **You** must sign the cheque otherwise the cheque will not be valid for payment.
- 6.3 **You** should not write a future date on a cheque, as it may not prevent the person to whom **you** give it from paying it into their bank **account** before that date. If this happens **we** will not be liable to **you** for any loss that **you** may suffer as a result.
- 6.4 **You** may only write cheques for sterling amounts. If **you** want to make a payment to another person in a foreign currency **we** can advise how best to do this.

-
- 6.5 **You** must keep **your** cheques secure and there is important information about the security of **your** cheque book and writing cheques inside the front cover of the cheque book that **we** will provide to **you**. This information forms part of these **conditions**. **You** will be liable for any losses incurred as a result of failing to keep **your** cheques secure.
- 6.6 Cheques can be presented for payment by the **payee** up to six months after the date written on the cheque. **We** do not usually pay amounts from **your account** if the cheque is presented after this period although **we** may decide to pay it at **our** discretion. If **we** do decide to pay a cheque after this period **we** will not be liable to **you** in any way whatsoever.
- 6.7 The cheque book and all cheques remain **our** property and must be returned to **us** on demand. **We** will not usually ask **you** to return **your** cheque book or the unused cheques unless something has gone wrong. This may mean for example that **you** have breached these **conditions** or if **we** believe that the cheques are being used for fraudulent purposes either by **you** or by someone else.
- 6.8 **You** may request **us** to “stop” the payment of one of **your** cheques by contacting **us** by telephone or by visiting **your** local branch as soon as **you** know **you** want the payment “stopped”. There are certain circumstances where **we** may not be able to “stop” the payment such as where **we** have already made the payment.
- 6.9 **You** must inform **us** immediately if **you** become aware that **your** cheque book or any cheques have been lost or stolen, or if **you** think someone has altered one of **your** cheques. **You** will be liable for losses which occurred prior to notification. Once **you** have informed **us** **we** will cancel **your** unused cheques and issue **you** with a new cheque book. If **you** later find a missing cheque book **you** must return it to **us** so that it can be destroyed securely.
- 6.10 If **you** suspect that a cheque or several cheques have been used fraudulently, **you** must inform **us** and the police immediately. **You** agree that if **your** cheques have been used fraudulently, **we** may disclose information relating to such fraudulent use and **your account** generally to the police.

7. Foreign transactions

- 7.1 If **you** carry out a **card** transaction whilst abroad (i.e. in a currency other than pounds sterling), **we** will convert the foreign currency into pounds sterling before debiting **your account**. A commission charge for exchanging currencies may be payable if **we** have to arrange such conversion with a third party in which case the charge will be itemised on **your** next statement. See **our tariff list** for applicable charges for using **your card** at a **self- service machine** abroad.

8. Statements

- 8.1 Statements will be sent to **you** (by post and/or online or any other electronic method agreed between us now or when made available such as text messages, which may also include **special conditions**) monthly (unless otherwise agreed) or if required by law or any regulation.

-
- 8.2 Apart from sending **you** a regular statement, **you** may request a mini-statement at any of **our** branches. **We** will require **you** to produce identification before **we** give out any **account** information.
- 8.3 Upon receipt of **your** statement, **you** should check it to make sure that all entries are correct. If **you** think an entry is wrong **you** should inform **us** immediately so that **we** can investigate the entry for **you** and resolve the matter.
- 8.4 **We** will ensure that all transactions on **your account** are properly recorded. If however for any reason, there is a mistake or error in the recording of any transaction (either a credit or debit transaction), **we** will rectify the mistake and/or error by taking such action as may be appropriate which may include recovering sums wrongly paid or credited to the **account**. In such situations **we** will not require authorisation from **you** to debit **your account**. In accordance with clause 5.7 above, if a payment is paid in to **your** account by mistake, and **you** refuse to refund the incorrect payment, **we** may also provide sufficient details about **you** and the incorrect payment to the bank that sent the payment for them to pass on to the person who made the payment to enable them to take a legal action to recover their funds.

9. Additional services

We may agree to give **you** additional services with **your account**. These additional services are not available to all customers and depend on a number of factors such as maintaining a minimum balance or having **your** salary credited to **your account**. **Our** staff will be pleased to discuss which additional services **you** may be entitled to and what the criteria are.

- 9.1 Standing orders and direct debits
- 9.1.1 Standing orders and direct debits are ways in which **you** can make regular payments. **You** can instruct **us** to make a regular payment by completing a standing order form (available from any branch) and by giving **us** details of the person or company to whom **you** want payments to be made. A direct debit authorises **us** to debit money from **your account** when **we** receive instructions from a specified company or person. A direct debit is set up directly by **you** with the specified person or party.
- 9.1.2 **You** can cancel a standing order or a direct debit by contacting **us**. Should **you** wish to do so, **you** must notify **us** in writing at least five **working days** before the date on which the standing order or direct debit payment is due. - 9.2.5 **Your card** belongs to **us** at all times and must be sent back if **we** ask for it. It is only valid from the “valid from” date shown on the **card** until the “expiry date” which is also shown on the **card**. The old **card** should be destroyed by cutting it twice through the magnetic stripe and once through the chip.
- 9.2.6 **We** will usually debit card transactions on the same **working day**. Once a payment made by a **card** has been authorised **you** can no longer cancel it. If a supplier gives **you** a refund, **we** will credit **your** account after the refund is received from the supplier.

1. Online personal banking conditions

- 1.1 These **conditions** set out below in addition to consumer banking **conditions** apply to **our online banking service**. The below **conditions** explain the relationship between **you** and **us** in relation to **our online banking service**. **You** should read these **conditions** carefully to understand how these services work and **your** and **our** rights and duties under them. **You** should ensure that these **conditions** contain all the commitments that **you** are seeking from **us** in relation to **our online banking service** and nothing to which **you** are not prepared to agree. If there is a conflict between these **conditions** (Section B) and the **Consumer Banking conditions** (Section A) or any **special conditions**, these **conditions** (Section B) shall apply.
- 1.2 **You** should read these **conditions** carefully before accessing or using **our online banking service**. By applying for this **online banking service** **you** accept these **conditions** and agree that **we** may communicate with **you** using secure messages on **our online banking service** and through notices to all users of **our online banking service** published on **our** website www.alrayanbank.co.uk.
- 1.3 **You** must regularly check **our** website and **our online banking service** for messages and notices for users of **our online banking service** including notification of changes to these **conditions** under clause 12 below. **You** must regularly check **our online banking service** for secure messages from **us**.

For the latest requirements please visit **our** website at www.alrayanbank.co.uk.

2. Our online banking service

- 2.1 **Our online banking service** provides a range of services for **you** to use subject to these conditions. **You** can use the **online banking service** (either directly or through a **TPP**) to:
 - (a) Check the balance on **your account(s)**;
 - (b) View and obtain details of **your** recent transactions;
 - (c) Transfer money between **your account(s)**;
 - (d) Give **us** instructions to pay a bill or transfer money to another person's account;
 - (e) Set up or cancel standing orders;
 - (f) Instruct **us** to make payments (maximum day limits apply per personal customer's **account**, for more details contact **our** customer services on 0800 4086 407).

-
- 2.2 **You** cannot use **our online banking service** to inform **us** of **your** change of address. In accordance with **our** Consumer Banking Terms and Conditions, **you** must provide notice of a change of address to **us** in writing immediately.
- 2.3 When **you** give **us** instructions to transfer money between **your accounts** held with **us** or to make a payment out of **your account** on a **working day** before the cut-off times listed in clause 5.3 (Section A), **we** will normally start processing **your** instructions, via the relevant payment transfer scheme, on the same **working day** and the beneficiary's account will be credited with the transfer value as soon as practically possible (for sterling payments within the UK this may be within the same working day or in some cases by the end of the next working day). **We** will do this by immediately deducting the amount of the payment from **your account**, subject to cleared funds being available at that time. **Your** statement will show the payment as being made on the same **working day**, unless the payment has been requested for a future date. If the payment has been requested for a future date then **we** will endeavour to process **your** instructions on that date, if it is a **working day**. If the future date is not a **working day**, **your** instructions will normally be processed on the next **working day** following the date requested.
- 2.4 Instructions received after the cut-off times referred to in clause 5.3 (Section A) on a **working day** or on a non-**working day** will normally be processed on the next **working day**.
- 2.5 **You** will not be able to make any transfer or other payment if the operation of **your account** has been restricted by **us** (in accordance with 5.6, Section A above). Where it is possible for **us** to do so, **we** will inform **you** as soon as reasonably practicable by written notice if **your account** is or is to become restricted by any means.

3 Using your account safely

- 3.1 Once **your** application to use **our online banking service** has been successful, **we** will send **you** separately **your user ID** and **password** by post.
- 3.2 Every time **you** log on to **our online banking service** **we** will ask **you** to enter **your user ID, password** and three characters from **your memorable information**.
- 3.3 **You** must not let anyone else operate the **online banking service** for **you** other than an authorised **TPP**.
- 3.4 **You** must take steps to keep **your security details** secure and secret at all times and take steps to prevent unauthorised use of them. For example, **you** must:
- Memorise your **password** immediately and destroy the advice containing this information.
 - Not write down or otherwise record **your security details** in a way that can be understood by someone else.
 - Never tell anyone **your security details** including **our** staff.
 - When selecting or changing the **password** or **memorable information**, do not use words or numbers which are easy to guess, such as a pet's name, birthdays, phone numbers or sequential characters.

-
- (e) Never record your **security details** on any software which retains it (for example, where any software prompts **you** to save your **password**). **You** should disable or switch off the options for storing or retaining user IDs and passwords on the internet browser **you** use. Check **your** browser help for instructions.
 - (f) Keep **your security details** safe at all times.

We strongly advise **you** not to use internet banking on publicly accessible computers for example in a library or internet café, as they are not always secure. If **you** must use a public computer take care that no-one can see **you** signing in, protect **your** privacy and don't leave the computer unattended while **you** are logged onto internet banking and change **your password** the next time **you** sign in on a secure PC.

- 3.5 On logging in to **our online banking service** check whether the web page is secure by:

However, if **you** haven't registered for online banking prior to registering with a **TPP**, you will have first to activate this facility. **We** will treat any instruction from a **TPP** as if it was from **you** and the terms of this agreement will apply. **We** may deny the access to **TPPs** if **we** reasonably suspect that they are not authorised by **you** or the attempted access is fraudulent. However, if **your** security information is misused as a result, **you** will be responsible for the consequences and losses until **you** notify **us** of that misuse.
- 3.8 **You** must always exit the **online banking service** when leaving the computer, or any other device by which **you** have accessed the **online banking service**, unattended.

Contact **us** on 0800 4086 407 during **our** Customer Service Centre opening hours (see www.alrayanbank.co.uk for details) or by sending **us** a secure message (on the understanding that secure messages received after 5pm will be treated as received by **us** the next **working day**). To help **us** improve **our** services **we** may record or monitor phone calls. **You** must also change **your password** and **memorable information** immediately. **We** may disclose information about **you** or **your account(s)** to the police or other third parties if **we** think it will help prevent or recover losses.

-
- 3.10 **You** should regularly check **your** record of transactions and statements and inform **us** immediately of any discrepancy.

- 4.3 Once **you** have told **us** that **you** know or suspect that there has been unauthorised access, or an unauthorised transaction has been made through **your account(s)** or that somebody else knows **your security details**, **we** will suspend **your accounts** from the **online banking service** within a reasonable time. - 4.6 Once **you** have given **us** an instruction **we** may not be able to reverse it. If **we** are reasonably able to do so, **we** will use reasonable efforts to modify, not process or delay processing any instruction where **you** request **us** to do so. **We** shall not be liable for any failure to comply with such a request unless **we** were reasonably able and have not used reasonable efforts to do so.
- 4.7 **You** must make sure that any instruction is clear, accurate and complete and **we** are not liable if this is not the case.
- 4.8 A transaction being carried out is not always simultaneous with an instruction being given. Some matters may take time to process and certain instructions may only be processed during normal banking hours even though the **online banking service** and contact centre is available outside those hours.
