Being an inclusive company, all our products and services are available to Muslims and non-Muslims alike.

Sharia compliance **guaranteed**

To give you peace of mind that we are always operating in accordance with Sharia principles, a committee of experienced and independent scholars known as the Sharia Supervisory Committee has been given the responsibility of overseeing our operations.

Al Rayan Bank also has an internal Sharia Compliance Officer (SCO) who continually monitors the Bank's operations to ensure full compliance. The SCO reports directly to the committee.

The Sharia Supervisory Committee meets regularly to review our products and services, and it has the full authority to approve or decline any new developments we might want to undertake.

The Sharia Supervisory Committee consists of the following members:

Mufti Abdul Qadir Barkatulla

A prominent Sharia scholar with a strong background in economics and finance.

A member of the Sharia Supervisory Committee of several Islamic financial institutions.

As a broadcaster and maintainer of Islamic Helpline, has a wealth of experience in Islamic financial issues in Europe.

Sheikh Nizam Muhammed Saleh Yaqoobi

A member of a number of Sharia supervisory boards including the Dow Jones Islamic Index, Bahrain Islamic Bank and the Citi Islamic Investment Bank.

Also a member of the AAOIFI Sharia board and has been a visiting lecturer at Harvard University.

Sharia compliant **current account**

Our Sharia compliant current account takes care of the essentials, offering banking services you would expect from a high street bank without compromising your Islamic principles.

We use the Islamic principle of Qard for our current account. A Qard is an ethical loan, free of any benefit. In essence, it means that your current account is a loan to the bank, which is used by the bank for investment and other purposes.

Obviously it has to be paid back to you, in full, on demand. It allows you the peace of mind of depositing your money in a bank, with the additional reassurance that Al Rayan Bank is not investing your money in activities that contravene Sharia principles.

Features and benefits

- ▶ Interest-free bank account: receive no interest, pay no interest
- ▶ Debit card and cheque book (subject to status)
- ▶ Funds deposited will be administered in accordance with Sharia principles
- ▶ International payments
- ▶ Automatic access to your account via our automated telephone banking service 24/7 or online

Sharia compliant savings accounts

Our Sharia compliant savings accounts let you profit from your savings while remaining true to Islamic teachings. We do not offer you interest on your savings, instead, we undertake ethical, Sharia compliant activities with the intention of generating profit, which we then share with you.

Every month, we publish an expected profit rate for all of our savings accounts. Although we cannot guarantee to pay the level of expected profit, in practical terms we have always paid this, and on occasions we have paid more.

Instant access savings

Al Rayan Bank's instant access savings accounts are designed to provide you with easy access at all times.

These accounts are suitable if you need the flexibility of immediately being able to get hold of your money.

Notice access savings

Our notice access savings accounts pay a higher rate of profit than our instant access savings accounts; however, you need to provide a certain period of notice to get hold of your money.

These accounts are suitable for you if you want to earn a higher rate of profit, but also don't want to lock your money away for the longer term.

Young person's savings

Al Rayan Bank offers instant access and notice access young person's savings accounts.

If your child is under 16 years old, as a parent, guardian or relative, you can open an account on their behalf to help them look after their money.

Fixed term savings

These Sharia compliant savings accounts tend to pay the highest rate of profit of all of our savings accounts.

Fixed term deposit accounts are suitable for customers who want to earn the highest rate of expected profit (agreed at the outset) and are willing to lock their money away for a fixed period of time.

Wakala treasury deposits

A Wakala Treasury Deposit Account generates competitive returns for large, bespoke investments. Wakala is an "agency agreement" where we act as your agent to achieve an agreed expected rate of profit for an agreed number of days.

ISAs

Al Rayan Bank offers a range of Sharia compliant cash ISAs. All of the profit you earn in an ISA is tax-free, regardless of how the Personal Savings Allowance* applies to you.

You can open an Al Rayan Bank cash ISA online, by phone, by post or at a branch. You can also transfer your existing ISA balances from other providers.

*For more information on your Personal Savings Allowance, please visit our website at alrayabank.co.uk/psa.

Sharia compliant home finance

Al Rayan Bank offers Sharia compliant home finance and property finance solutions.

Unlike conventional mortgages, Al Rayan Bank's Sharia compliant Home Purchase Plans (HPP) and Buy to Let Purchase Plans (BTLPP) do not involve interest.

- ▶ Our HPP and BTLPP use the Islamic finance principles of Co-ownership and Leasing.
- ▶ With a HPP and BTLPP Rent and Acquisition payment option, your monthly payment is made up of two elements: an acquisition payment and a rental payment.

At the end of the finance term when all the acquisition payments have been made, you will own the property outright.

- ▶ With a BTLPP Rent Only payment option, your monthly payments only cover the rent that Al Rayan Bank charges you. You will not acquire any of Al Rayan Bank's share in the property during the finance term.

To acquire Al Rayan Bank's share in the property, you will need to make a lump-sum payment at the end of the finance term. Once you have made the lump sum payment, ownership of the property transfers to you.

- ▶ You can make Additional Acquisition Payments (AAPs) over and above your monthly payments which can be used to either reduce your finance term, or reduce your monthly payments.

AAPs are not permitted on a fixed rental rate product during the fixed period.

- ▶ However, at any time, including during a fixed rental rate period, it is possible to settle the finance amount in full, without any penalty (subject to a small administration fee).

- ▶ Al Rayan Bank provides competitive rental rates, with finance for your property generated from ethical activities considered lawful under Sharia.
- ▶ Our low administration fees together with no early settlement penalties give you flexibility with your finances.
- ▶ Our HPP and BTLPP facility is available in England, Wales and Scotland.

YOUR HOME MAY BE AT RISK IF YOU DO NOT KEEP UP THE PAYMENTS ON YOUR HOME PURCHASE PLAN.
