Sharia compliance **guaranteed**

To ensure that all of Al Rayan Bank's products and services are Sharia compliant, Al Rayan Bank has an internal Sharia Compliance Officer (SCO), who continually monitors the Bank's operations.

The SCO reports directly to an independent Sharia Supervisory Committee (SSC), which meets regularly to review Al Rayan Bank's activities.

It has the full authority to approve or decline any new developments Al Rayan Bank might wish to undertake.

The Sharia Supervisory Committee consists of the following members:

Mufti Abdul Qadir Barkatulla

A prominent Sharia scholar with a strong background in economics and finance.

A member of the Sharia Supervisory Committee of several Islamic financial institutions.

As a broadcaster and maintainer of Islamic Helpline, has a wealth of experience in Islamic financial issues in Europe.

Banking products and services

Premier current account

Al Rayan Bank's premier current account is about making day to day banking as simple as possible, in a Sharia compliant manner.

You can speak to your dedicated Relationship Manager as often as you wish, and Al Rayan Bank's dedicated Premier Banking operations team will prioritise your transactions to deal with them as quickly as possible.

Instant access savings

Al Rayan Bank's instant access savings accounts allow you to earn a Sharia compliant return on your savings whilst giving you the flexibility to access your money whenever you need it.

Notice access savings

Al Rayan Bank's notice access savings accounts pay a higher rate of profit than their instant access savings accounts; however, you need to provide a certain period of notice to get hold of your money.

These accounts are suitable if you want to earn a higher rate of profit, but don't want to lock your money away for the longer term.

Young person's savings

Al Rayan Bank offers instant access and notice access young person's savings accounts.

If your child is under 16 years old, as a parent, guardian or relative, you can open an account on their behalf, to help them look after their money and save for their future.

Fixed term savings

These Sharia compliant savings accounts tend to pay the highest rate of profit of all Al Rayan Bank accounts.

Fixed term deposit accounts are suitable for customers who want to earn the highest rate of expected profit (agreed at the outset) and are willing to lock their money away for a fixed period of time.

Wakala treasury deposits

A Wakala Treasury Deposit Account generates competitive returns for large, bespoke investments.

Wakala is an "agency agreement", where Al Rayan Bank acts as your agent to achieve an agreed expected profit rate for an agreed number of days.

As your agent, Al Rayan Bank monitors the investment on a daily basis to make sure that the agreed expected profit rate is achieved.

Investment and other banking services

Discretionary Portfolio Service

The DPS is provided by SMARTfund Administration Ltd and accredited by Al Rayan Bank.

The DPS provides access to a series of investment portfolios which aim to generate profit from your wealth in a Sharia compliant and ethical way.

The investment portfolios can be held within an Individual Savings Account (ISA) or a Self Invested Personal Pension (SIPP), helping your investments work harder for you, in a tax efficient manner.

Islamic Pension Trust

The Al Rayan Bank accredited Islamic Pension Trust is provided by Carey Pensions and has been developed to meet auto enrolment criteria.

It allows Muslims to save towards their retirement in line with their faith, and ensures that no investment growth is obtained through the payment of interest or business activities prohibited in Islam.

Islamic wills and tax affairs

To plan for the future financial well-being of loved ones, it's important to get matters such as your will and tax affairs sorted well in advance.

For Muslims there are particular issues relating to constructing a will and dealing with tax issues after death.

In order to get these matters resolved in an efficient, Sharia compliant manner, Al Rayan Bank has joined forces with an IFA to provide an Islamic wills and inheritance tax advisory service.

This service will provide peace of mind and the confidence that when it's no longer in your hands, your estate will be handled as you wish, in line with your faith.

Pensions and inheritance tax planning is a complicated area and you should seek advice from an Independent Financial Advisor (IFA) before you take any action.

We have not and will not provide you with investment, tax or legal advice.

Premier banking services

Financial planning service

Planning your finances effectively can be time-consuming and for clients who also value an ethical and Sharia compliant approach to their wealth management, the way forward can sometimes seem complicated.

We can put you in touch with an Independent Financial Adviser (IFA) who can help you make sense of your finances and work out a solution tailored to your individual circumstances, to make your money work harder.

Our partners are experienced in Sharia compliant investment choices and understand the additional needs of customers looking for Sharia compliant wealth management and financial planning services.

Our partners can offer advice on matters including pensions, investments including ISAs, protection, tax planning and wills, property sourcing and finance.

Fees are applicable for these services; these fees are arranged and agreed up front between yourself and your IFA. The advice and services offered by any IFA are totally independent of Al Rayan Bank.
