Fees when you apply

Administration fee

Al Rayan Bank charges a fee that covers the administrative and operational costs in processing your HPP application.

The fee charged depends on the product that you take. The fees that currently apply are detailed on our website, and the fee that relates to your particular product is detailed in the Risks and Features document that we provide to you.

If we choose not to progress with your HPP application through no fault of yours, we will issue you a full refund of the administration fee. If you withdraw your application or if we decline your application because you have misrepresented yourself, the administration fee will not be refunded.

Valuation fee

To progress with your HPP application, we require a property valuation report to establish the value of the property and if the property is suitable security for the HPP.

We will arrange the property valuation report. The fee for the report is paid by you and is non refundable.

The cost of the valuation depends on the type of valuation report and the value of the property. Please refer to the table of valuation fees on page 4 to find out the charges.

Valuation reports when you apply

Automated Valuation

We may be able to assess the property value without a physical inspection by using an Automated Valuation Model (AVM) which uses the values from similar properties to determine a value for your property.

If we use an AVM, we will not give you an inspection report, but we will give you an indication of the value of the property.

However, not all properties are suitable for this method of valuation, in which case we will arrange for a surveyor to visit the property and you can choose between the two following types of valuation report.

Standard valuation report

A standard valuation report is a general inspection carried out on behalf of Al Rayan Bank by a qualified valuer to help Al Rayan Bank decide if the property is suitable security for the HPP.

The standard valuation report does not consider the wider condition of the property because many aspects of the condition do not directly affect the value of the property or, the security of the HPP.

For this reason, the standard valuation required by Al Rayan Bank may not be suitable for you, particularly if you require specific details about the general condition of the property.

Royal Institute of Chartered Surveyors (RICS) HomeBuyer report

The HomeBuyer report is an easy to understand guide to the significant defects evident within a property. The main aim of this report is to help you understand the condition of the property, before you commit to the transaction. It is not used by Al Rayan Bank as we will rely on our own standard valuation report to find out about the property.

RICS owns the HomeBuyer report format and controls who can use it. Only a RICS qualified surveyor can provide a HomeBuyer report.

The HomeBuyer report looks at both the exterior and interior of the property, and includes advice on defects that may affect the value of the property, with repair and ongoing maintenance advice.

In general, it helps potential homeowners to evaluate the financial and practical implications of the property in its present condition and can be used as a tool to negotiate when defects are identified.

A HomeBuyer report comes at an additional cost to the standard valuation report, and can be carried out at the same time as the standard valuation report that we require.

A HomeBuyer report can also be carried out in its own right which might be useful for you if we have valued the property with an AVM.

Please refer to the table of valuation fees on the next page to find out the charges for the different types of valuation report.

Fees during the processing of your HPP application

Solicitors fees and expenses

The Law Society suggests that for Islamic finance transactions, two sets of solicitors are involved. One set of solicitors represents you, the other set of solicitors represents Al Rayan Bank.

The cost of both sets of solicitors is covered by you.

Al Rayan Bank has created a panel of solicitors who are experienced in the conveyancing process for Islamic finance transactions.

We are confident that by using one of our panel solicitors, the conveyancing process will proceed more smoothly than if you choose your own solicitor, who may not have the same level of experience with Islamic finance.

You are not obliged to use one of our panel solicitors and you can opt to instruct a firm of your own choosing.

However, if you choose to proceed with one of our panel solicitors, Al Rayan Bank will make a **£400** (including VAT) contribution towards the Al Rayan Bank legal costs, which are usually around **£500** (including VAT).

Due to the level of administrative work required, the legal costs incurred for the new build properties could be substantially more.

If for some reason the fees are substantially more than this, you will be advised as early as possible in the process.

If after you have received your HPP offer you make the decision not to proceed, or if we exercise our right to withdraw the offer because our full requirements have not been fulfilled, you will be liable to pay our actual legal costs incurred.

Al Rayan Bank's panel of solicitors do not provide conveyancing services in Scotland. Al Rayan Bank will make the contribution towards
