Fees when you apply

Administration fee

AlRayan Bank charges a fee of up to 1.5% of the finance amount for the Home Purchase Plan Premier (HPPP). This fee covers the administrative and operational costs in processing your application.

The administration fee is paid in full on completion, as agreed at the outset.

Valuation fee

To progress with your HPPP application, we require a property valuation report to establish the value of the property and if the property is suitable security for the HPPP.

The fee for the property valuation report is paid by you and is non-refundable.

We will provide you with two quotes from surveyors on our panel and you can choose which surveyor you would like to proceed with.

The quote we provide you with will be for a standard valuation report, however, you can also opt for an additional HomeBuyers report which is a more detailed report and comes at an extra cost to you.

The difference between the standard valuation report and HomeBuyers report is detailed on the page that follows.

If you would like a HomeBuyers report, you should ask us before we instruct your chosen surveyor.

Valuation reports when you apply

There are two valuations that you can choose between, the cost of the valuation depends on the value of the property and the type of valuation report that you choose.

Standard valuation report

A standard valuation report is a general inspection carried out on behalf of AlRayan Bank by a qualified valuer to help AlRayan Bank decide if the property is suitable security for the HPPP.

The standard valuation report does not consider the wider condition of the property because many aspects of the wider condition do not directly affect the value of the property and therefore, the security of the HPPP.

For this reason, the standard valuation required by AlRayan Bank may not be suitable for you, particularly if you require specific details about the general condition of the property.

Royal Institute of Chartered Surveyors (RICS) HomeBuyer report

The HomeBuyer report is an easy to understand guide to the significant defects evident within a property. The main aim of this report is to help you understand the condition of the property, before you commit to the transaction. It is not used

by AlRayan Bank as we will rely on the standard valuation report to find out about the property.

RICS owns the HomeBuyer report format and controls who can use it. Only a RICS qualified surveyor can provide a HomeBuyer report.

The HomeBuyer report looks at both the exterior and interior of the property, and includes advice on defects that may affect the value of the property, with repair and ongoing maintenance advice.

In general, it helps potential homeowners to evaluate the financial and practical implications of the property in its present condition and can be used as a tool to negotiate when defects are identified.

A HomeBuyer report comes at an additional cost to the standard valuation report, and can be carried out at the same time as the standard valuation report that we require.

Fees during the processing of your HPPP application

Solicitors' fees and expenses

The Law Society suggests that for Islamic finance transactions, two sets of solicitors are involved. One set of solicitors represents you, the other set of solicitors represents AlRayan Bank. The cost of both sets of solicitors is covered by you.

AlRayan Bank's usual legal costs are detailed in the table below. If for some reason the fees are substantially more than this, you will be advised as early as possible in the process.

AlRayan Bank has created a panel of solicitors who are experienced in the conveyancing process for Islamic finance transactions.

We are confident that by using one of our panel solicitors, the conveyancing process will proceed more smoothly than if you choose your own solicitor, who may not have the same level of experience with Islamic finance.

You are not obliged to use one of our panel solicitors and you can opt to instruct a firm of your own choosing.

If after you have received your HPPP offer you make the decision not to proceed, or if we exercise our right to withdraw the offer because our full requirements have not been fulfilled, you will be liable to pay our actual legal costs incurred.

Amendments to offers

If following the receipt of your HPPP offer, there is a change in your circumstances which requires us to produce a new offer, a fee of **£50** will be payable by you for each amended offer.

CHAPS transfer fee

AlRayan Bank uses CHAPS (Clearing House Automated Payment System) to transfer the finance amount to our solicitor.

There is a **£15** charge for using CHAPS which is paid by you.

Fees during the HPPP term

Additional Acquisition Payment (AAP)

These are additional payments over and above the regular monthly acquisition payments that you will make to AlRayan Bank. AAPs can be used to either reduce your finance term, or reduce your monthly payments.

These payments can be made in each rent review month, and AlRayan Bank will need to be in receipt of cleared funds by the 20th of that month.

The payments are subject to a minimum amount of **£4,000** and incur a small administration fee of **£25**. You should note that no AAPs are permitted on a fixed rental rate product during the fixed rate rental period (if applicable).

- If you need copies of any correspondence we have sent relating to your account – **£25**

You will also have to pay our solicitor's charges that may arise from any administration, changes to your HPPP account or changes to the terms and conditions of the legal agreements requested by you.

Any additional administration fee will be agreed with you in advance and prior to processing your request.

Fees when you settle your HPPP account in full

These include discharge of the Legal Charge at HM Land Registry, administering the account and where necessary, sending documents by secure post.

- England and Wales – **£550 + VAT**

Fees which may be charged in other circumstances

Delayed payment

We reserve the right to charge an arrears fee on a monthly basis.

This covers charges in respect of your account if you fall behind with your payments.

Whilst your Finance Payment is in arrears, we will make a charge every month towards the administration costs incurred in supervising the account until the arrears are paid. This fee will continue to be charged if we start litigation proceedings until we take possession. Once our costs have been recovered, we will donate any additional amount to charity. This has been approved by our Sharia Supervisory Committee and Al Rayan Bank does not profit from any extra income.

This fee will be waived should you enter into a monthly agreement to clear your arrears and you maintain this arrangement.

We will inform you by letter, when we are charging fees and how they are being collected from you or how you need to pay them.

Any arrangements which are not maintained will result in a Missed Monthly Payment Fee and the Arrears Management Fee being charged.
